

3rd International Conference on Trends in Chemical Engineering (ICoTriCE 2026)

Monday, 21 September 2026 - Monday, 21 September 2026

Hotel Seri Malaysia, Perlis, Malaysia

Conference Tracks

Green & Sustainable Processing

Environmental & Waste Management

Carbon Capture, Utilization & Storage

Bioprocessing & Biotechnology

Materials Science & Corrosion

Energy Conversion & Management

Renewable & Alternative Energy

Process Systems & Separation Engineering

AI for Advanced Materials, Catalysis & Processes

Chemical Reactions, Kinetics & Catalysis

Biochemical, Food & Pharmaceutical Engineering

Nanotechnology
