

# 5th International Symposium on Intelligent Manufacturing and Mechatronics (SIMM 2023)

**Wednesday, 12 July 2023 - Wednesday, 12 July 2023**

**Faculty of Mechanical Engineering & Technology**

## **Research Track**

## **2023 Theme Towards Empowering Technological Transformation**

The theme was chosen .....

**Intelligent Manufacturing**

**Machining Technology**

**Mechanical and Design**

**Instrumentation and Control System**

**Simulation and Modelling**

**Industrial Engineering**

**Materials and Processing**

**Mechatronic and Robotics**
