

ELECRIS 2024
The 1st International Conference
on Electrical, Robotics and Intelligent Systems 2024
(ELECRIS 2024)

1st International Conference on Electrical, Robotics and Intelligent Systems 2024 (ELECRIS 2024)

CALL FOR PAPERS

HYBRID CONFERENCE

Empowering Tomorrow: Integrating Electrical, Robotics and Intelligent Systems for Sustainable Innovation

EVENT DATE

2-4
SEPTEMBER
2024

ABOUT ELECRIS 2024

This conference aims to facilitate professionals, academicians and industries in sharing cutting-edge applications across various engineering disciplines including electrical, robotics and intelligent systems.

PUBLICATION

Authors can choose to publish in American Institute of Physics (AIP) Conference Proceedings or Scopus Indexed Journals.

Professor Dr. Hiroshi Takemura

Department of Mechanical and Aerospace Engineering
Faculty of Science and Engineering
Tokyo University of Science

Title: Challenges in Developing Medical and Welfare Devices for Sustainable Innovation by Integrating Robotics and AI Technologies

KEYNOTE SPEAKER

CONFERENCE TRACKS

- ✔ **Track 1:** Robotics, Mechatronics and Automation
- ✔ **Track 2:** Intelligent Systems Methodologies and Applications
- ✔ **Track 3:** Electrical Engineering and Automation
- ✔ **Track 4:** Power Electronics, Energy Utilization and Key Technologies

IMPORTANT DATES

22 February

Call for Paper

31 May

Full Paper Submission (Extension)

15 May - 20 June

Notification of Acceptance

30 June

Camera Ready, Registration & Payment

2-4 September

Conference Date

CONFERENCE FEE

NATIONAL

- ✔ Researcher (Proceeding) **MYR 1,000.00**
- ✔ Researcher (Journal) **MYR 1,700.00**
- ✔ Participant (Delegate/Listener) **MYR 350.00**

INTERNATIONAL

- ✔ Researcher (Proceeding) **USD 250.00**
- ✔ Researcher (Journal) **USD 400.00**
- ✔ Participant (Delegate/Listener) **USD 100.00**

Bertam Resort, Penang, Malaysia
